

Welcome to Grade 8 Math Class!

Name of School

905-555-5555 (phone)

555-555-5555 (attendance check line)

Website: <http://schoolwebsite.ca>

School Hours: 8:35 am - 2:55 pm

Office Hours: 8:00 am - 4:00 pm

Core Math Teacher:

Mrs. Lobianco

Welcome to a New School Year!

I am delighted to be your child's grade eight math teacher. The following key pieces of information will help prepare your child for our class routines. I am looking forward to working with you as a partner in your child's education.

Student Planner

The school is no longer providing planners for the intermediate students. If this is a tool that has proven effective for your child in the past, they are welcome to bring their own planner from home. Mobile devices (e.g. ipods, cell phones) can also be used as a tool for this purpose.

Communication

I can be reached by phone before or after school (905-555-5555). You can also leave a voicemail at 905-555-5555 ext 5555 or send me an email at emailaddress.ca

Absences

If your child is to be absent from school, please call the attendance check line at 905-555-5555. Your child is responsible to catch up on any schoolwork that is missed during his/her absence. Due to the large amount of group work and rotary schedule of the intermediate grades, please try to limit the amount of class time your child will miss.

Mobile Devices

Mobile Devices are allowed in math class (when specified by the teacher) as they have proven to be a very effective tool in education. They are not allowed in washrooms or change rooms. Nor can they be used to photograph any students who are unwilling to have their picture taken. They should not be used to post any photos on the internet. During class time, they are to be kept face down in the top right corner of the student's desk unless directed otherwise by the teacher. Any loss or damage to the device is the sole responsibility of the student.

Daily Subjects

Your child has been provided with a planner-sized copy of his/her timetable. As a grade 8 student, your child participates in a rotary schedule in which multiple teachers teach different subjects. This year your child has the following teachers:

Mathematics - Mrs. Lobianco

Language/Art - Mrs. Teacher

History - Mrs. Teacher2

Physical Education/Health - Mrs. Teacher3

French - Mr. Teacher4

Music - Mrs. Teacher5

Science/Geography - Mr. Teacher 6

Homework

Homework consists of finishing work assigned in class. We have a math homework board and all assignments should be recorded in their school agendas. **It is the responsibility of the student to make sure that homework and assignments are completed on time.** Forgetting work at home or at school is equivalent to not having it done. Check our math class website and math google classroom regularly as I will post current assignments and tests on google classroom.
